

REMARKS

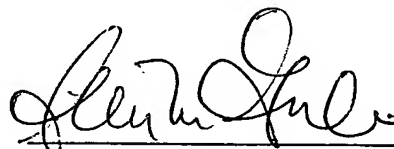

Entry and consideration of this Preliminary Amendment are respectfully requested. After entry of the foregoing amendments, claims 12-21, 23-27 and 29-34 are the only claims presently pending in this application, which is a division of Serial No. 10/254,554 (allowed September 26, 2003).

The foregoing amendments to the specification merely identify the lineage of this application.

In view of the fact that two claims in the original application are numbered "24," the second claim 24 and subsequent claims have been renumbered as claims 25-34, respectively. Claim 28 is cancelled via this Amendment.

Please charge any additional fees due to our Deposit Account No. 19-4880.

Respectfully submitted,
